First GFCO Certified oat mill!  
Celiac family owned and operated.

Certified at a stringent standard twice as Pure as the new FDA Regulations.

Proven success providing  
Gluten Free Oats since 2004!

“Our Celiac Family Serving Yours”

- GFCO Certified USA oat mill.
  - o Certified to be twice as pure as the FDA regulations.
  - o With a proven set of inspections, dedicated storage, in-house / third party lab testing to ensure Gluten Free Oat products.
- Founded in 2004, with over a decade of serving our Gluten Free community.
  - o Forrest, the son and founder was diagnosed with celiac disease in 1990 at age two.
  - o Since then his Mother, Father and relatives on both sides of the family have been diagnosed with celiac disease.
  - o As a determined teenager, Forrest, decided to develop a safe source of uncontaminated oats and this led to a FFA entrepreneur project that became the beginning of GF Harvest.
  - o We deeply understand the frustration and discomfort associated with cross contaminated food.
- At GF Harvest, gluten free is more than a business it a required lifestyle that the Smiths' have been on since 1990.
